## IARR DAILY CREW REPORT

Tampa Module #1

### MESSAGE:

FL-ST-03 continued to patrol and secure existing lines. B. Loth continues to stage nearby.

AL-MA-01 continued to patrol and secure existing lines.

FL-ST-02 continued to secure the lines around a historic cabin, mop up spot fires and establish contingencies, and prepare for aerial ignitions and bucket work.

GA-ST and PR-MA are continuing to construct contingency lines on the southern end of the fire to protect the community of the 4<sup>th</sup> of July. They were also assigned to patrol and secure existing lines. J. Lowe and C. Pierce continue to stage nearby. **There are tentative plans to demob GA-ST-02 and PR-MA-01 on 08/23. The Stein Fire IMT plans to release all resources by end of shift on 08/25.** IARR (t) Hunter will contact the crew desk on tomorrow to gather intel on potential reassignments.

IARR (t) Hunter traveled to the Toponce Creek Fire to check in on AL-MA-01.

IARR Berens traveled to the Pioneer Fire to check in with FL-ST-03.

Both IARRs are beginning to coordinate with the GBCC crew desk regarding final travel plans.

Tentative plans are to have all crews demob by 08/26, travel to Boise and return their rentals and tools on 08/27 and depart for Tampa on the NICC jet on 08/28.
